Maintenance Kits contain all the parts needed in one box for typical maintenance and even upgrades to your Durco® Mark 3™ ANSI pump for maximum performance, reliability and extended meantime between repair, providing:

- **Simplicity**

Each pack contains all needed parts for typical pump maintenance. No multiple parts, part numbers, stockroom locations, or potential of incorrect parts for the job.

- **Economy**

Since everything is in one box, there is only one part number to stock and track. Inventory levels, part numbers, stockroom locations, associated costs, and administrative burden are all instantly reduced.

- **Reliability**

It's all about increasing uptime. Kits make it easy to restore your Durco® Mark 3™ ANSI pumps to optimal operating condition with OEM quality parts.
