20230921	ZLND BB45 Oil lubrication

Scope:

bearings and support washes, gaskets, lip seal or V-seal, distance ring, impeller nut, thrower, keys and lockwasher

Maintenance Kits contain all the parts needed in one box for typical maintenance and even upgrades to your ZLND pump for maximum performance, reliability and extended meantime between repair, providing:

- **Simplicity:** Each kit contains all needed parts for typical pump maintenance.
- **Economy:** Since everything is in one box, there is only one part number to stock and track. Inventory levels, part numbers, stockroom locations, associated costs, and administrative burden are all instantly reduced.
- **Reliability:** It's all about increasing uptime. Kits make it easy to restore your ZLND pumps to optimal operating condition with OEM quality parts.
